Lee's Spa & Nails Opens in Grand Boulevard at Sandestin®

Walton County, Fla, November 12, 2007 – The latest addition to Grand Boulevard offers a pampering treat for one and all. Lee's Spa & Nails recently celebrated the grand opening of their new location in the community retail section of Grand Boulevard next to Moe's Southwest Grill.

A walk through the door gives an immediate sense of luxury and relaxation. Spa services include manicures, pedicures, nail extensions and waxing in a relaxing, upscale atmosphere. Five signature manicures are featured, including a princess manicure for girls ten and under and a deluxe manicure including hand and arm salt massages and a paraffin dip. For someone on the go, they recommend the express manicure and pedicure that simultaneously treats your hands and feet in no time at all.

“We offer our guests great customer service in a clean, tranquil setting. Our trained technicians will give you the best pampering experience whether you are on your lunch break or enjoying a relaxing day out,” stated Phi Huynh, manager of Lee's Spa & Nails.

Elegant touches were implemented to make the nail salon even more inviting and soothing such as special-ordered light sconces and massage chairs. Guests on the go can relax in specialized massage chairs that can accommodate a manicure and pedicure at the same time.

“Our main priority is making our guests feel relaxed. We felt that Grand Boulevard was a very elegant location that would provide our customers with a serene place to escape to while overlooking the beautiful plaza,” stated Huynh.

In celebration of their grand opening, Lee's Spa & Nails is offering 15 percent off all services through December 1st. Hours of operation are Monday through Saturday, 10 a.m. – 9 p.m. and Sunday 11 – 7 p.m. Both appointments and walk-ins are welcome. For more information, call 850.650.3590.

Grand Boulevard is the new shop, work, play and stay town center located in Beaches of South Walton along Northwest Florida's Gulf Coast.
