Kilwin's Celebrates National Ice Cream Month in July

Exciting new flavors now available

Miramar Beach, Fla., (July 2, 2009)—July is National Ice Cream Month and Kilwin's Chocolate's, Fudge & Ice Cream is scooping up a fresh selection of new ice cream flavors in celebration. During one of the hottest months of the year here at the beach, stay cool with one of 32 flavors made from original recipes served up only by Kilwin's.

New flavors include Mango Tango, a new mango-based ice cream with juicy pieces of mango in every bite. For those in need of a little pick-me-up, try the new energy boost ice cream, Wired Berry, a berry-flavored ice cream that includes an elixir of ginseng, vitamin B, caffeine and even taurine.

If you prefer your ice cream on the jazzy side, let the best-selling New Orleans Praline Pecan tempt you with caramel swirls and praline-coated pecans mixed in vanilla ice cream. Another top-seller sure to please is Toasted Coconut made of chocolate covered coconut flakes in a coconut ice cream.

For those who have to limit their sugar-intake, there is the no-sugar Apple Pie ice cream – all of the flavor with none of the guilt.

Though it is not a new flavor, Sandestin Mud remains a local favorite. Made with vanilla ice cream, caramel swirls and an explosion of tiny chocolate chips, this decadent concoction is sure to satisfy a sweet tooth.

In honor of National Ice Cream Month, store mascot Kilwin the Moose will be on the loose from 3 p.m. to 7 p.m., July 23-28. As always, children shorter than Kilwin the Moose get a free scoop of ice cream.
