### **Sandestin Owners Association Relocates to New Offices in Grand Boulevard at Sandestin®**

**Miramar Beach, Fla., (June 11, 2009)** – Sandestin Owners Association has relocated to new offices in Grand Boulevard at Sandestin®. The move to larger offices, located near the east gate, allows easier access for homeowners, visitors from the community and delivery vehicles and contractors who must register before entering the property.

“The move makes it easy to find us. Our location is centrally located and conveniently accessed from 98 for people in the community and our homeowners who frequent Grand Boulevard,” said Keith Arsenault, who has been Executive Director of SOA for nine years.

The new offices are now located at 185 Grand Boulevard, across from Regions Bank. At 5,600 square feet, the new location provides ample meeting space and more storage room for the association, which has more than 60 employees. The SOA is the fifth largest homeowners organization in Florida and has approximately 4,800 members, including residential and commercial properties.

The Master Association was incorporated in 1981 as the governing authority for the Sandestin Community. Additionally, they are responsible for managing security, communications, sanitation, common grounds, lakes and the architectural review board of the resort community.

Arsenault says he and his staff take great pride in their role for Sandestin and their mission is to preserve and enhance the assets and the experience of the Sandestin Community.

“We love to talk about how wonderful our community is and we love to brag about all our unique neighborhoods. Sandestin is a wonderful place to live and just as wonderful to work. Many of our owners started out visiting our community on a regular basis and soon realized they wanted to invest in our community,” said Arsenault.
