Le Grand Cirque is the vision of executive producer, David King, one of the U.K.'s most prolific and successful international producers with hit shows all over the world. David is the executive producer of Spirit Productions Worldwide, with over 20 shows touring the world at any given time. *Le Grand Cirque* is the result of four years of searching for exceptional acrobatic talent in Russia, China, South America, Africa and Europe, costume design, researching, training, building and rehearsing. Over the past six years, *Le Grand Cirque* has played all over the world, breaking box office records. The blend of international acts, dynamic music, spectacular costumes and breath-taking lighting combine to make this multi-award winning production the success it has become on the world's stages.
